Dedication
In Honor of

Robert "Bob" Brann
Trustee, Volunteer, Visionary

This year, the Windsor Fair Premium Book is proudly dedicated to **Bob Brann**, a lifelong Windsor resident whose connection to the fair runs deep through both heritage and heart.

Bob's journey with Windsor Fair began in childhood, inspired by his mother, **Mary French**, who served as superintendent of the Exhibition Hall for many years. That early exposure instilled in Bob a commitment to volunteerism that has grown over a lifetime of service.

In 1985, Bob became involved with the **Windsor Historical Society**, and just a year later, he was elected its president. A skilled carpenter with an eye for authenticity and a passion for history, Bob set to work turning vision into reality. Under his leadership, the **Windsor Fair Museum** blossomed into what we proudly recognize as one of the fair's most cherished and unique attractions. His concept of recreating an early 1900s village has not only educated and inspired generations of fairgoers but has also set a new standard for historical exhibits at agricultural fairs throughout Maine.

Since his election to the **Windsor Fair Board of Trustees in 1999**, Bob has continued to be a guiding force behind the fair's steady growth and enduring charm. His vision, craftsmanship, and unwavering dedication have helped shape the fair into the beloved celebration it is today.

We are honored to recognize Bob Brann for his decades of service and leadership. His legacy is carved into the very foundation of Windsor Fair and lives on in the memories of all who pass through its gates.

Thank you, Bob, for your extraordinary contributions and your lifelong devotion to our fair and our community.

PRESIDENT'S MESSAGE 2025

It is an incredible honor to step into the role of President of Windsor Fair, following in the footsteps of my father, Thomas Foster, who has led this organization with dedication and vision for the past 32 years. His leadership has guided the fair through steady growth, making it the beloved tradition it is today. I want to take a moment to thank him for his unwavering commitment and the strong foundation he has built for all of us.

As we move forward, my goal is to uphold and continue the legacy he has established—one of community, tradition, and progress. Windsor Fair has always been a place where families gather, exhibitors showcase their hard work, and volunteers come together to create something truly special. That spirit remains at the heart of everything we do.

This year, we are committed to maintaining the high standards that fairgoers have come to expect while also looking for new ways to enhance the experience for everyone. Whether it's through improved facilities, exciting entertainment, or expanded agricultural exhibits, we will continue to build upon the success of those who have come before us.

To our dedicated volunteers, vendors, exhibitors, and fairgoers, thank you for your support and passion. Windsor Fair thrives because of you, and I look forward to working together to make this season one of our best yet.

See you at the fair!

Daniel Foster
President, Windsor Fair

2025 WINDSOR FAIR'S POSTER

WINNER

Amanda Lorentzen

Amanda lives in Union, Maine, where she and her husband, Michael, have raised their family over the past 20 years. A self-taught artist, she works primarily with watercolor and gouache, drawing deep inspiration from the natural beauty of Maine and its strong sense of community. Her creative journey began in 2017 with a simple palette gifted by her mother, a gesture that sparked a lasting passion for watercolor and led to the founding of her small business, Rose Ridge Watercolor. Through her art, Amanda hopes to bring more joy and beauty into the world. When she's not painting, she enjoys exploring Maine's charming villages and beaches, reading, gardening, hiking, and soaking in all that nature has to offer in her beloved home state.

The poster will be available for purchase by fairgoers at the Information Booth.

GENERAL RULES PERTAINING TO WINDSOR FAIR

NO DOGS ALLOWED, NO ALCOHOL, NO WEAPONS, NO FIREWORKS

CAMPING

Dennis Strout, Sue Strout - 446-6461

Increasing numbers of campers, camp trailers and tents make it necessary to establish regulations pertaining to them. No inside camping will be allowed except by those who have livestock being exhibited and assigned stalls at Windsor Fair. All people with livestock (except racehorses) must register with Carol Davis, Dana Prime, or Greg Baker.

Any camping unit without a properly assigned sticker will be removed. People who do not come under the above categories may apply for space for a camper at the camping office in the North parking lot. The fairgrounds are closed to the public from midnight until 7:00 A.M. daily.

AWARD COMMITTEES

Award Committees will not award premiums unless the animal or article is worthy of it, and where there is no competition may withhold the first, and award second or third according to the merit of the exhibit.

Award Committees are instructed to recommend gratuities on any exhibit of special merit, not named in the list, which will be paid approved by the Trustees and the funds of the Society will permit. When two or more exhibits in the hall, of the same class, are so evenly balanced that the committee is unable to decide which is the best, the manner in which it is shown may be considered and the preference given to that which is displayed in the most tasteful and attractive manner.

Members of the Award Committee will be given tickets (on day of service only). All regular officers of the Society, employees, exhibitors of livestock, owners of racehorses, drivers and grooms, may be issued free tickets.

Any interference by the exhibitor or their attendants shall make these exhibitors liable to be suspended from the privileges of this Fair, by the Livestock Superintendents and forfeit all prize money. This will be enforced in both Open and youth classes.

Health Requirements: Livestock and poultry offered for show or exhibition shall be free from signs of infectious or contagious disease. In addition, all livestock and poultry originating outside the State of Maine must meet requirements for entry into the State. (Permits are required to import cattle, sheep, goats, swine, hatching eggs and poultry. Equines must have an official certificate of negative six-month Coggins test. For details contact interstate clerk at (207)287-3701. Failure to comply with these State regulations may result in exclusion or expulsion from the show or such other action as the Director of the Division of Poultry and Livestock Production may direct.

In spite of efforts by the Department of Agriculture and the fair officials, and the expertise of exhibitors, the potential for exposure to disease exists. Therefore, it is strongly recommended that exhibitors protect their flocks and herds by (1) appropriate vaccinations of show stock against contagious diseases under supervision of a veterinarian and (2) an isolation period before re-introduction to the home flock or herd.

In addition to the general requirements the following specific requirements will be enforced:

Cattle - warts will be classified as an infectious disease.

Horses - The Commissioner shall require a negative Coggins test, taken within 36 months, on all horses raced, exhibited, or stabled on racetracks or fairgrounds where other horses are being raced, exhibited or stabled.

The person or persons in charge of race meets, exhibitions, stables on racetracks or fairgrounds where horses are being raced, exhibited, or stabled shall ascertain that a copy of the official test accompanies each equine, and such reports shall be available for inspection by an agent of the Commissioner of Agriculture upon request. Failure to furnish such reports shall exclude equines from events.

Swine - Swine originating in Maine shall be from herds having an official State of Maine validation. Breeding stock six months old or older must be on record as having an official State of Maine validation. Breeding stock six months old or older must be on record for having been tested for the current validation period or, if purchased by owner after regular test, being tested as for import into Maine.

Market hogs and feeder pigs, since they are usually six months and under, need not be tested if originating on the owner's farm from validated stock. All swine must be permanently identified.

Poultry - All poultry shall originate from flocks that have an official Pullorum-typhoid clean rating.

Hand washing stations are provided in the livestock area and their use is recommended for your protection.

DEPARTMENT 16 – 23rd GIANT PUMPKIN/SQUASH WEIGH-IN CONTEST

Alan Turner, 117 Sampson Road, Windsor, Me 04363. (207)549-7280
FIRST SATURDAY OF THE FAIR
GIANT PUMPKIN COMMONWEALTH (GPC) SANTIONED EVENT
RULES and REGULATIONS

Based on the Rules and of the GPC (Great Pumpkin Commonwealth). Fruit shall be grown in the State of Maine. Pumpkin/squash must be grown and cared for by the exhibitor.
Exhibitor can only enter one specimen per class and there can be no more than three entries per family or household per division.
Specimens must be sound healthy and undamaged. Entries must be free of rot, chemical residue (fungicides, holes/cracks through to the cavity and serious soft spots). This is a subjective matter for the judges to decide. We include the term "serious" before soft spots; because some pumpkins will exhibit minor soft spots which in no way compromises the soundness of the pumpkin.
No foreign material is permitted to be included in the weighing. The vine must be trimmed to one inch from the stem of the fruit. The judges reserve the right to fully inspect each specimen before the weigh-in. Refusal to allow the inspection of the entry will cause said entry to be disqualified.
Competition will consist of two divisions: (a) adult; (b) children – 12 years and under, with three classes in each division:

CLASSES: 1) Giant Pumpkin – any fruit cream, yellow-to-orange in color. Minimum 75%.
2) Giant Squash – any fruit green-to-gray in color.
3) Old-Fashion Jack-O-Lantern Pumpkin.

Fruit will be accepted on the first Saturday, August 23rd from 9 AM to 10 AM at the Agricultural Tent.
Fruit will be weighed on the first Saturday, August 23rd as they come in.
All entries must remain on exhibit for the duration of Windsor Fair and may be picked up on Labor Day between 6:00 P.M. and 7:00 P.M.
